**VALENTINE'S
DAY**

**By: Miss Ariel, Miss Elaine,
Mr. Mike and Miss Tugce**

Miss Ariel

This year for Valentine's Day I will spend it with my best friend Samyee. When I am sad, she always makes me feel happy and loved. This year, we will celebrate Valentine's Day at the Hot Pot Factory in Shenzhen! We love eating this together.

I will surprise her with her favourite flowers and chocolates! She likes sunflowers and Twix chocolates.

It is important to let the special people in our lives know how much we love and appreciate them. Do you have any special friends that you love a lot? How will you celebrate Valentine's Day with them? Find me and let me know!

FRIENDS

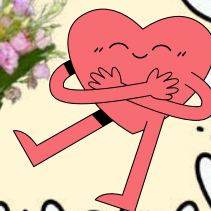

Mr. Mike

I have many important people that I care for in my life and so I try to make them all happy but this is not always easy.

Of the people in my life, one of the most important people would be my mum. Every Valentine's Day I will call her to tell her that I love her and we will speak on the phone and catch up on gossip.

I send my mum flowers every year so that she knows that I care about her even though I am half way around the world.

Love my mom

Miss Elaine

My sister is so special to me! She is 16 years old and she lives in Canada. Her name is Mary. She is much younger than me, so I always take care of her.

We love to go hiking or exercise together. Sometimes, we will go out to eat at a restaurant. In the summertime, I always go to watch her softball games. She likes to play softball and her team is called the Titans. I always cheer for her from the stands!

It is not easy to live far away from my sister. I miss her so much when I am in Hong Kong. We talk on Facetime every week so we can still see each other. Do you have any brothers or sisters?

Miss Tugce

Valentine's Day is a special day to show love and care to everyone we cherish! On this day, we can share hugs, kind words and little surprises with the people who are special to us!

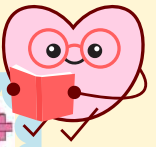

I like to spend this day with my sister who is also my best friend. She is very funny and always makes me laugh. We always help and support each other.

We love eating waffles, so I always make her heart-shaped ones on Valentine's Day. This year, I will send her a card with a special note on it. What will you do for the people you love on this Valentine's Day?

My Super Mummy

Mummy I love you,
you are the best,
You are so much
better than all the rest.

You always know what to say,
You hug me in your special way.
There's only one thing left to say,
I'll love you on this
and every Valentine's Day.

My Daddy Is My Hero

Daddy, I am your biggest fan,
I think you're such
a brilliant man.

The way we talk
and laugh and play,
Makes every day
a very special day.

Thank you for being the best,
And Happy Valentine's
for today and all the rest.
