My Favourite Disney Movie!

By: Miss Ariel, Miss Elaine,
Mr. Mike and Miss Tugce.

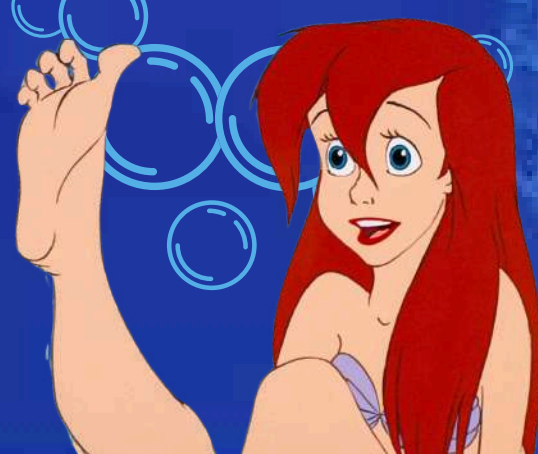

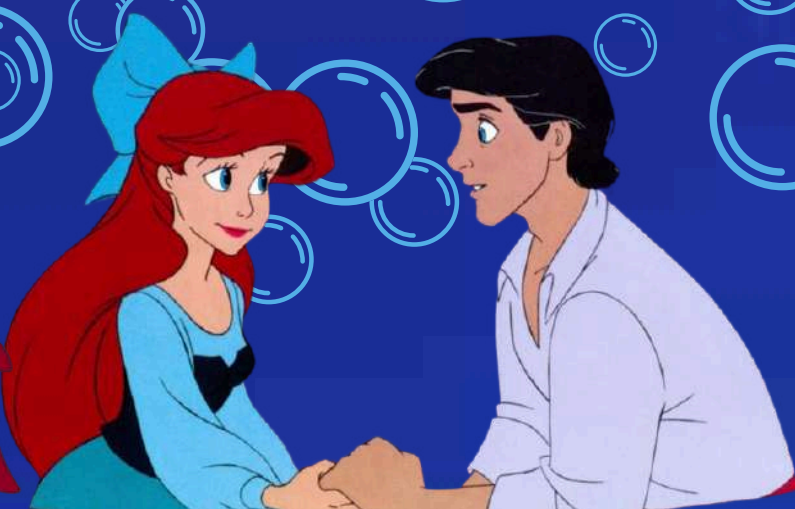

My favourite Disney movie is Tangled! This movie is about a lost princess called Rapunzel who has very long, beautiful hair. Her hair has magical powers that can help sick people and keep people from growing old! She has lived her whole life in a tall tower, but now she wants to escape and discover the outside world. I like Rapunzel because she is very brave. She is afraid to leave her home, but she knows she can do hard things even if they scare her! She is also very creative. She has many hobbies like painting, drawing, singing and dancing.

Miss Elaine

Of course my favourite movie is The Little Mermaid! I was named after the mermaid Ariel! In this movie, Ariel wants to know what it is like to be a human! So, she makes a deal with the sea witch Ursula and gives up her tail and voice for a pair of legs! She is friends with a fish named Flounder and a crab named Sebastian. In the end, she defeats the sea witch and gets to live out her days as a human with prince Eric! Ariel is my favourite character because she is curious and is not afraid to explore new things!

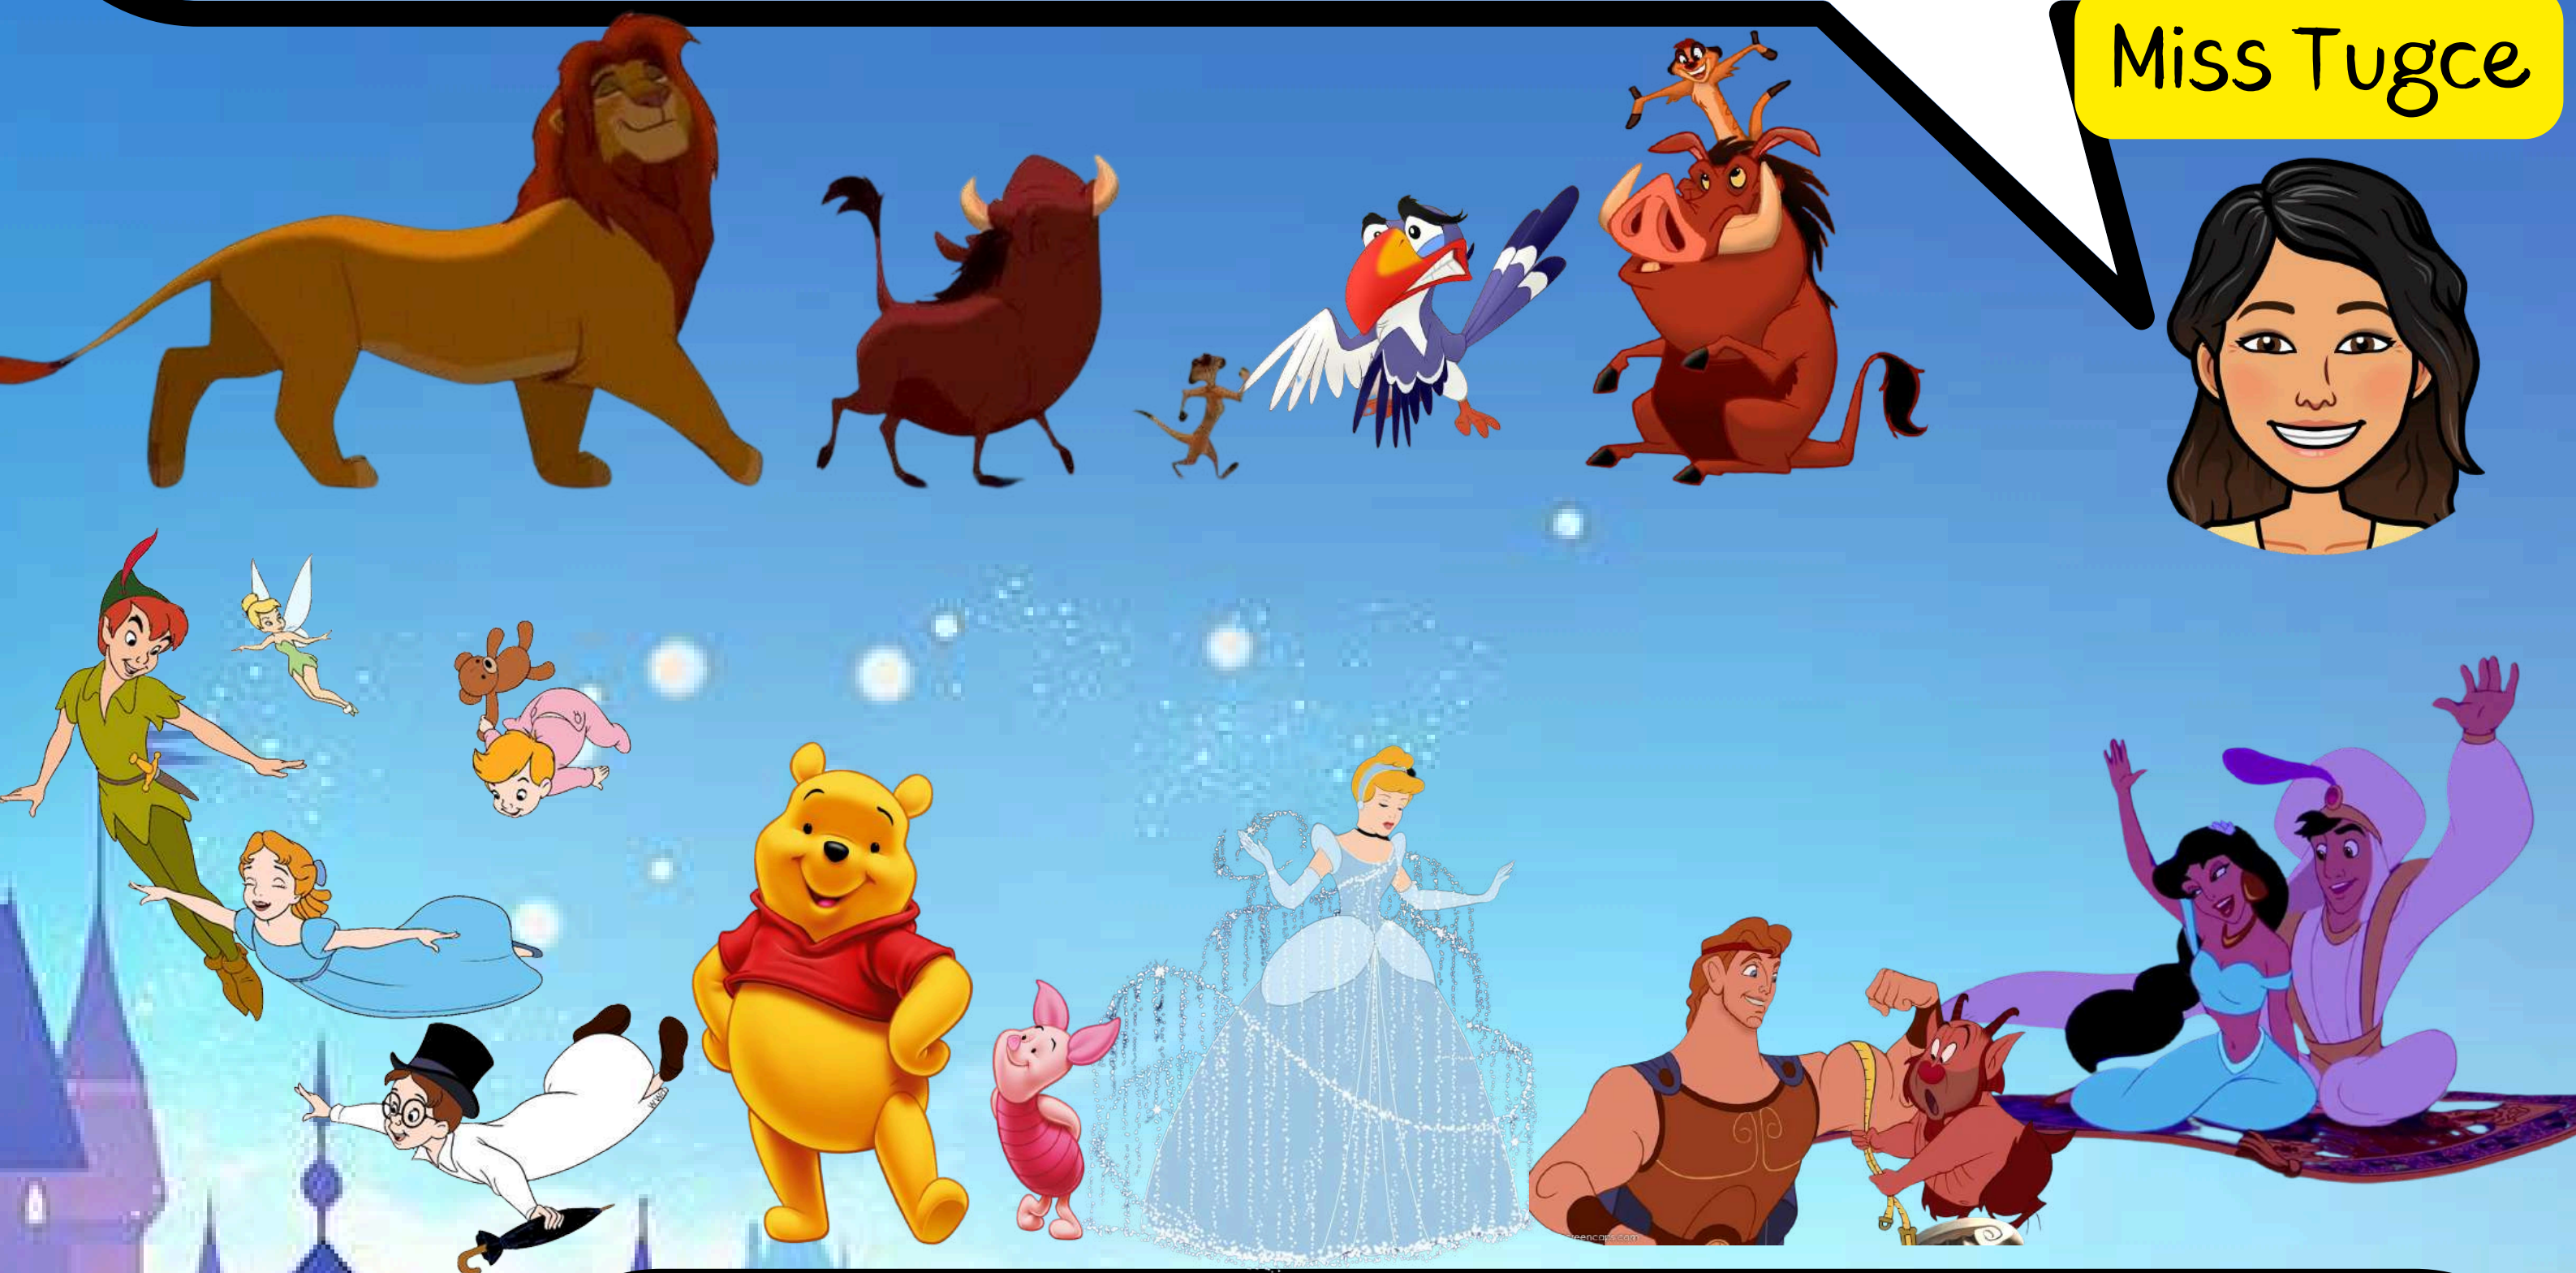

Miss Ariel

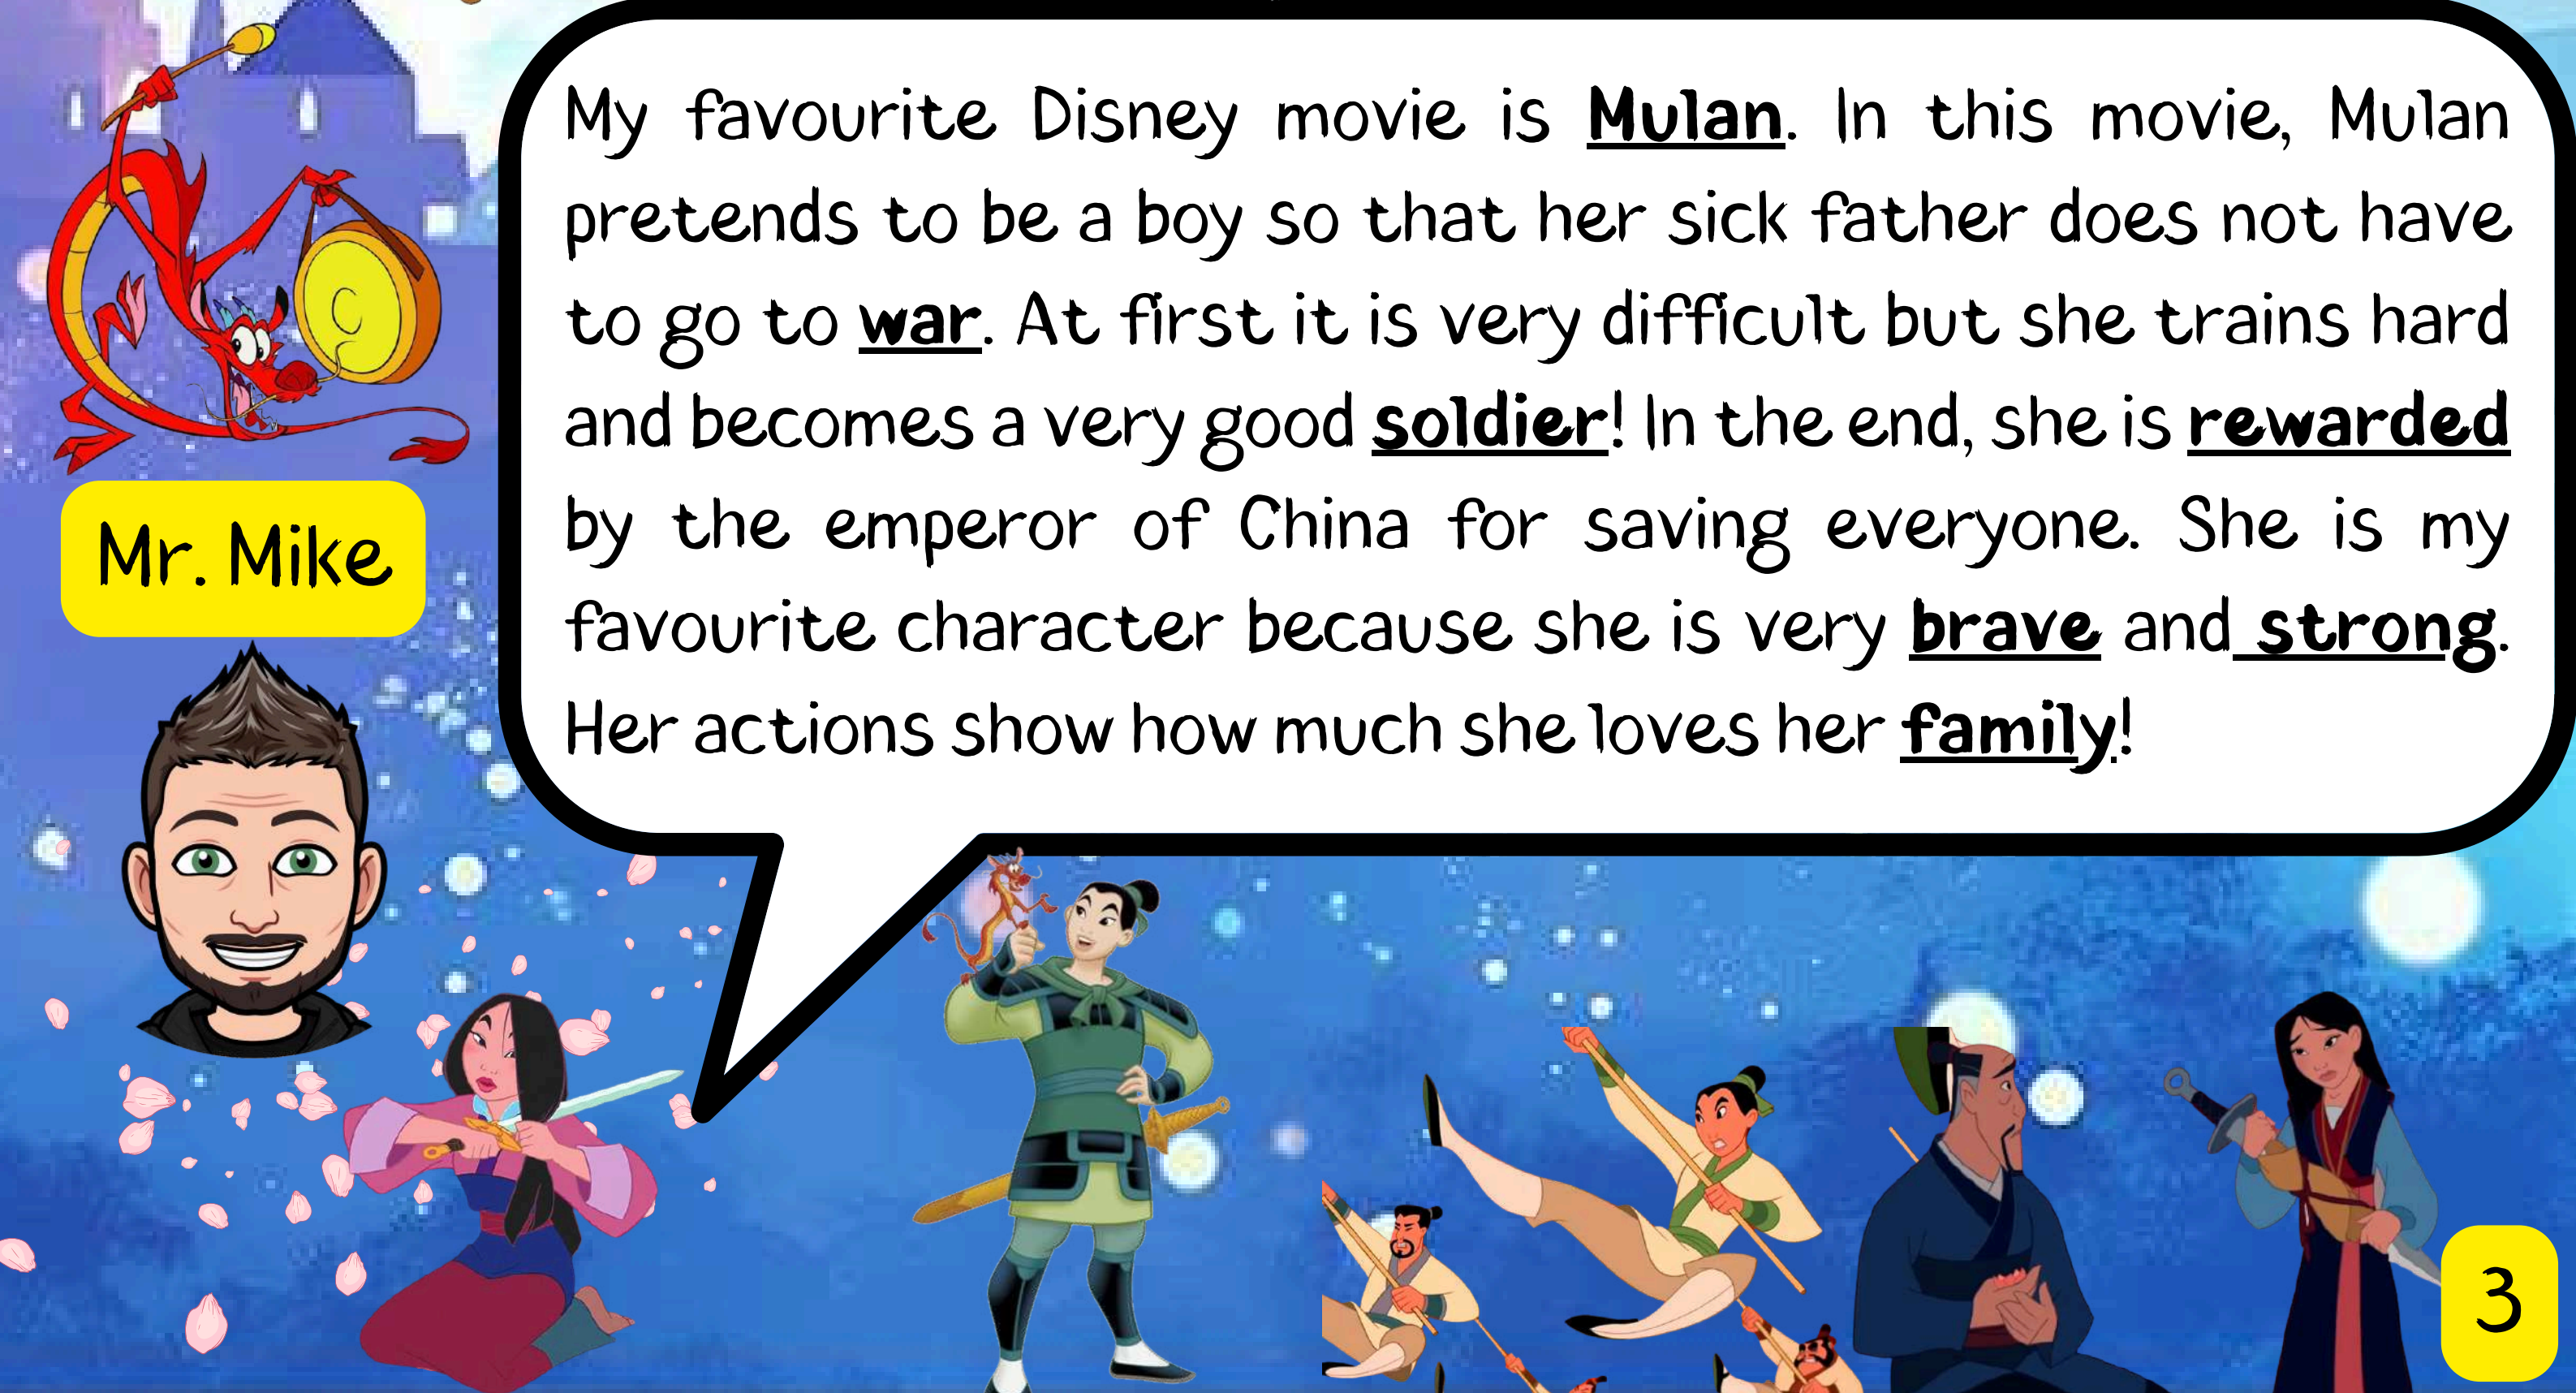

The Lion King (1994) is my all-time favourite Disney movie! It is a story about Simba, a young lion cub who begins an incredible journey to become the king of the Pride Lands. I love how Simba grows from a playful cub into a courageous leader, learning important lessons about friendship and family while he faces challenges along the way. What makes The Lion King special is its powerful message about facing fears, learning from mistakes and finding your true self. What is your favourite Disney movie? Find me and let me know!

Miss Tugce

My favourite Disney movie is Mulan. In this movie, Mulan pretends to be a boy so that her sick father does not have to go to war. At first it is very difficult but she trains hard and becomes a very good soldier! In the end, she is rewarded by the emperor of China for saving everyone. She is my favourite character because she is very brave and strong. Her actions show how much she loves her family!
